www.jlanmobile.com

jLAN Mobile Sales is perfect for Pre-Sales, Route Sales, Direct Store Delivery and Surveys

jLAN Mobile provides Route Accounting, Mobile Sales, Direct Store Delivery and Full Service Field Sales software.

Manage route performance and profitability with the ultimate route accounting solution.

jLAN Mobile possesses over 15 years of field sales experience and positions it on a modern Windows platform for the next 15 years.

Provide your field sales teams with the ultimate end user experience with a fast and intuitive touch based interface.

Field sales teams can quickly access real-time customer and inventory information, sell products, process orders, invoices, deliveries, receive payments, replenish stock and be on their way to the next stop in a matter of minutes.

With jLAN Mobile sales and marketing are always in sync.

Create surveys, analyze results, share images, videos, presentations and documents to maximize your retail execution strategy.

Discover how we can help mobilize your success.

jLAN Technologies, since 2001.
